Hosted Jack Rednour-Bruckman, Executive Director of the Rainbow Community Center, at our last meeting who went through all the programs and services they provide for the LGBTQ community. The list was quite impressive, and they are taking care of a very underserved portion of our community. We reached out to them to find out what their most immediate needs are, and they responded with a list to help displaced homeless LGBTQ youth.

DONATIONS NEEDED:

- Interview clothing for male and female (various sizes)
- Ladies' shoes size 9 and men's shoes size 7 through 10
- Kitchen and bathroom items for new apartments and room rentals
- Refrigerator- we have an old one onsite in our food pantry
- Referrals on painters and carpet folks that are reasonable and friendly
- Winter coats, hats
- Used/recycled telephones
- Toiletry items, shampoo, deodorant, toothpaste and wash soap

If you would like to make a monetary donation instead, please go to the Rainbow Community Center website at:
